*“Good Health and peace ”*  
*(by Father Tom Brown)*

Dear Friends,

I sometimes forget that this Parish bulletin goes to the U.S.A. and around the world. I hope and pray all is well with all of you – good health and peace.

Here at Our Lady help of Christians (OLHC) we recently said “Good bye and thank you” to Kareen Brooke after 11 long and faithful years here in the Parish, really our first and only secretary. All of you who knew her agree that she was an important factor in establishing our Parish as it is today. She has retired to live with her sister in São Roque in a beautiful countryside setting an hour from here. God bless you Kareen with health and peace.

At the same time we welcome our new secretary, Vicky Soutter, whose enthusiasm has captivated us all.

We are blessed indeed to have someone so capable and *disponível* to replace Kareen. God bless her for accepting the new work here at OLHC.

Our busy Easter season is past with good participation by our parishioners and friends. I am sure that those who participated felt a blessing on their families. A special blessing was the Baptism of Yumi and daughter Kanami, who were baptized together on Saturday’s Easter Vigil Service.

May the month of May filled with First Communions and Confirmation bring joy and faith to all of us.

In Jesus and Mary,  
Father Tom, O.M.I.
